Notes

For the year ended 31 December 2011

1. GENERAL

南京三寶科技股份有限公司 (Nanjing Sample Technology Company Limited*) (the “Company”, together with its subsidiaries, the “Group”) was established in the People’s Republic of China (the “PRC”) and was approved to be reorganised into a joint stock limited company on 28 December 2000. The shares of the Company were listed on the Growth Enterprise Market (the “GEM”) of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) on 9 June 2004. On 22 November 2010, the Company’s H shares were successfully migrated from the GEM to the mainboard of the Stock Exchange (the “Main Board”). The registered address and the principal place of business of the Company are Building No. 1, Ruan Jian Chuang Ye Zhong Xin, High and New Technology Industrial Development Zone, Nanjing City, Jiangsu Province, PRC and Sample Technology Park, No. 10 Maqun Avenue, Qixia District, Nanjing City, PRC respectively.

The Company is engaged in the information technology application (IT application) service industry. Scope of business of the Company: computer networks, industrial automation engineering design, installation; electronic products, manufacturing and development of computer, sale of self-developed product, system integration; computer technology consulting and information services; research and development of ITS-based basic information collection technology and equipment. The Company is principally engaged in the provision of visual identification and RFID technologies-based full solutions to intelligent traffic, customs logistics and health care and other application areas.

The functional currency of the Company is RMB, while that for overseas business is the lawful currency of the place it located. The Group’s financial statements were prepared in RMB.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The Company’s financial statements were used to be prepared in accordance with accounting principles generally accepted in Hong Kong (“HKGAAP”) for disclosure in Hong Kong. According to the “Consultation Conclusions on Acceptance of Mainland Accounting and Auditing Standards and Mainland Audit Firms for Mainland Incorporated Companies Listed in Hong Kong” published by the Stock Exchange in December 2010, with effect from this financial year, the Company decided to prepare its financial statements in accordance with the “Accounting Standards for Business Enterprises” and other related regulations issued by the China Ministry of Finance (“PRC Accounting Standards”). The adoption of PRC Accounting Standards has been applied retrospectively and the comparative financial information for the year ended 31 December 2010 is converted in accordance with PRC Accounting Standards. The reconciliation of shareholders’ equity and profit of the Company from HKGAAP to PRC Accounting Standards is set out in the section headed “Reconciliations of HKAS to PRC Accounting Standards”.

The Company’s financial statements have been prepared on a going concern basis and based on the actual transactions and matters incurred; in accordance with the PRC Accounting Standards, Information Disclosure Rule No. 15 of Public Offerings Company-Financial Reporting General Provisions (2010 Amendments) issued by CSRC and the applicable disclosures required by the Rules Governing the Listing of Securities on the Stock Exchange and by the Hong Kong Companies Ordinance; and the accounting policies and estimates of the Group.

3. TOTAL OPERATING INCOME

Operating income represents the Group's principal operating income, including revenue received and receivable from Intelligent traffic, custom logistics and sales of equipment and service business. The turnover of the previous year was reclassified according to the requirements of the PRC accounting standard for preparation.

MANAGEMENT DISCUSSION AND ANALYSIS

FINANCIAL REVIEW

Total Operating Income

Total operating income of the Group for the year ended 31 December 2011 was approximately RMB542,388,738, representing an increase of approximately 6.8% over last year. The increase was mainly attributable to the fact that the Group proactively promote the development of IOT business and proactively develop various businesses during the period under review.

Gross Profit

Gross profit margin of the Group for the year ended 31 December 2011 was approximately 39.6%, representing an increase of approximately 4.4% over last year. The increase was mainly attributable to the increase in the Group's bargaining power, decrease in purchase price and change in product mix during the period under review.

Selling and Distribution Costs

Selling and distribution costs of the Group for the year ended 31 December 2011 was approximately RMB13,088,942, representing an increase of approximately 26.7% over last year. The increase was mainly attributable to the Group's proactively development of new markets.

General and Administrative Expenses

General and administrative expenses of the Group for the year ended 31 December 2011 was approximately RMB39,152,681, representing an increase of approximately 20.4% over last year. The increase was mainly attributable to the increase in investment on research and development during the period under review.

Net Profit Attributable to Shareholders

For the year ended 31 December 2011, the Group recorded a net profit attributable to shareholders of the Company of approximately RMB146,054,063, representing an increase of 31% over last year. The increase was mainly attributable to the increase in overall gross profit and increase in investment gain from Zhong Jian Zhi Kang Supply Chain Company Limited.

FINANCIAL RESOURCES AND LIQUIDITY

For the year ended 31 December 2011, the equity of the Company's shareholders was approximately RMB784,722,435. Current assets were approximately RMB1,149,433,840, comprising cash and bank balances of approximately RMB457,625,078. Non-current liabilities were approximately RMB1,602,503. Current liabilities were approximately RMB654,297,556.68, mainly comprising trade and other payables and receipts in advance, short-term bank loans, other loans payable and tax payable. Net assets per share

of the Group was approximately RMB3.54 (31 December 2010: RMB2.94). As at 31 December 2011, the short-term bank loans of the Group were RMB286,300,000.

PLEDGE OF ASSETS

Change of the Company’s auditor

At the EGM held on 30 December 2011, a resolution has been passed to remove the Company’s auditor, BDO Limited, and appoint BDO China Shu Lun Pan Certified Public Accountants LLP as the Company’s auditor. BDO China Shu Lun Pan Certified Public Accountants LLP was only appointed as the auditor to perform the audit work on the Company’s financial statements for the year ended 31 December 2011 in accordance with the PRC auditing standards, with its term starting from the date on which the resolution was passed at the EGM to the date on which the next annual general meeting will be held. The resigned auditor, BDO Limited confirmed that, there was no matter that needed to be brought to the attention of the shareholders. The Board was further authorized at the EGM to determine the remuneration of BDO China Shu Lun Pan Certified Public Accountants LLP by reference to the market conditions and upon mutual consents of the parties.

Reconciliations of HKAS and PRC accounting standards

In 2009, the Company acquired a portion of interests in Nanjing Sample Logistic Company Limited, resulting in a difference in investment amounting to RMB1,343,837.42. The original financial statements recognized the amount as current revenue according to the HKAS, which should be recognized as capital reserve according to PRC accounting standards. Retrospective adjustments was therefore made during the period, leading to a reduction in net profit of RMB1,343,837.42 for the year 2009 as well as in undistributed profit of RMB1,343,837.42 at the beginning of the period, and an increase in capital reserve of RMB1,343,837.42.

As PRC accounting standards were adopted during the year, the Group has reclassified certain items in the financial statements for the previous year to facilitate the corresponding comparison of the accounting items.

DIRECTORS’ AND SUPERVISORS’ SERVICE CONTRACTS

Each of the Directors (including executive Directors, non-executive Directors and independent non-executive Directors) and Supervisors has entered into a service contract with the Company. The service contracts will expire on 31 December 2012 and the further renewal of a term of 3 years shall be subject to the approval at the annual general meeting of the Company.

Save as the disclosed above, no Directors and Supervisors has a service contract with the Company’s subsidiaries which is not terminable by the Company within one year without payment, other than statutory compensation.

COMPETING BUSINESS AND CONFLICTS OF INTERESTS

None of the Directors, management shareholders or substantial shareholders or any of their respective associates (as defined in the rules governing the listing of securities on the Stock Exchange (the “Listing Rules”)) is engaged in any business which competes or is likely to compete with the business of the Group, and none of them has other conflicts of interests with the Group.
